MR. JULIAN M. TAYLO

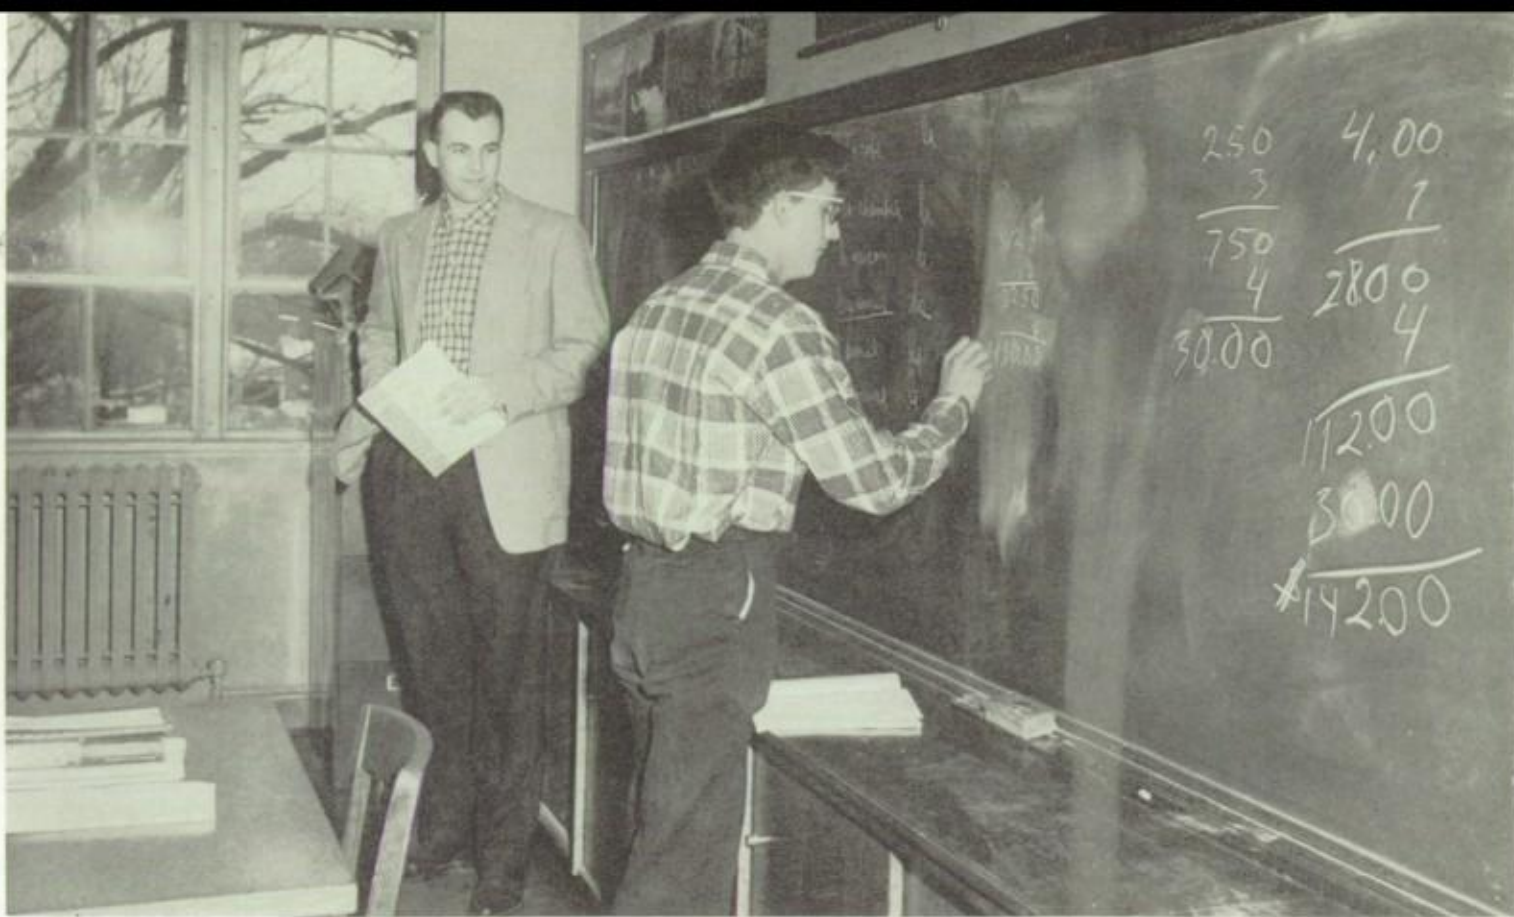

DEDICATION

As the theme of the 1958 Cauldron is "Building and Growing," we are proud to dedicate the book to Mr. Julian M. Taylo, a teacher of one of the fundamental sciences of building—plane geometry. He not only facilitates the understanding of geometry, but also inspires students to continue on in mathematics. Mr. Taylo's classes are never dull as the pupil is challenged to interpret his eloquent drawings.

This popular teacher also occupies the position of athletic director. He is responsible for the distribution of uniforms, ticket sales, team transportation and other duties necessary to make the athletic events run smoothly.

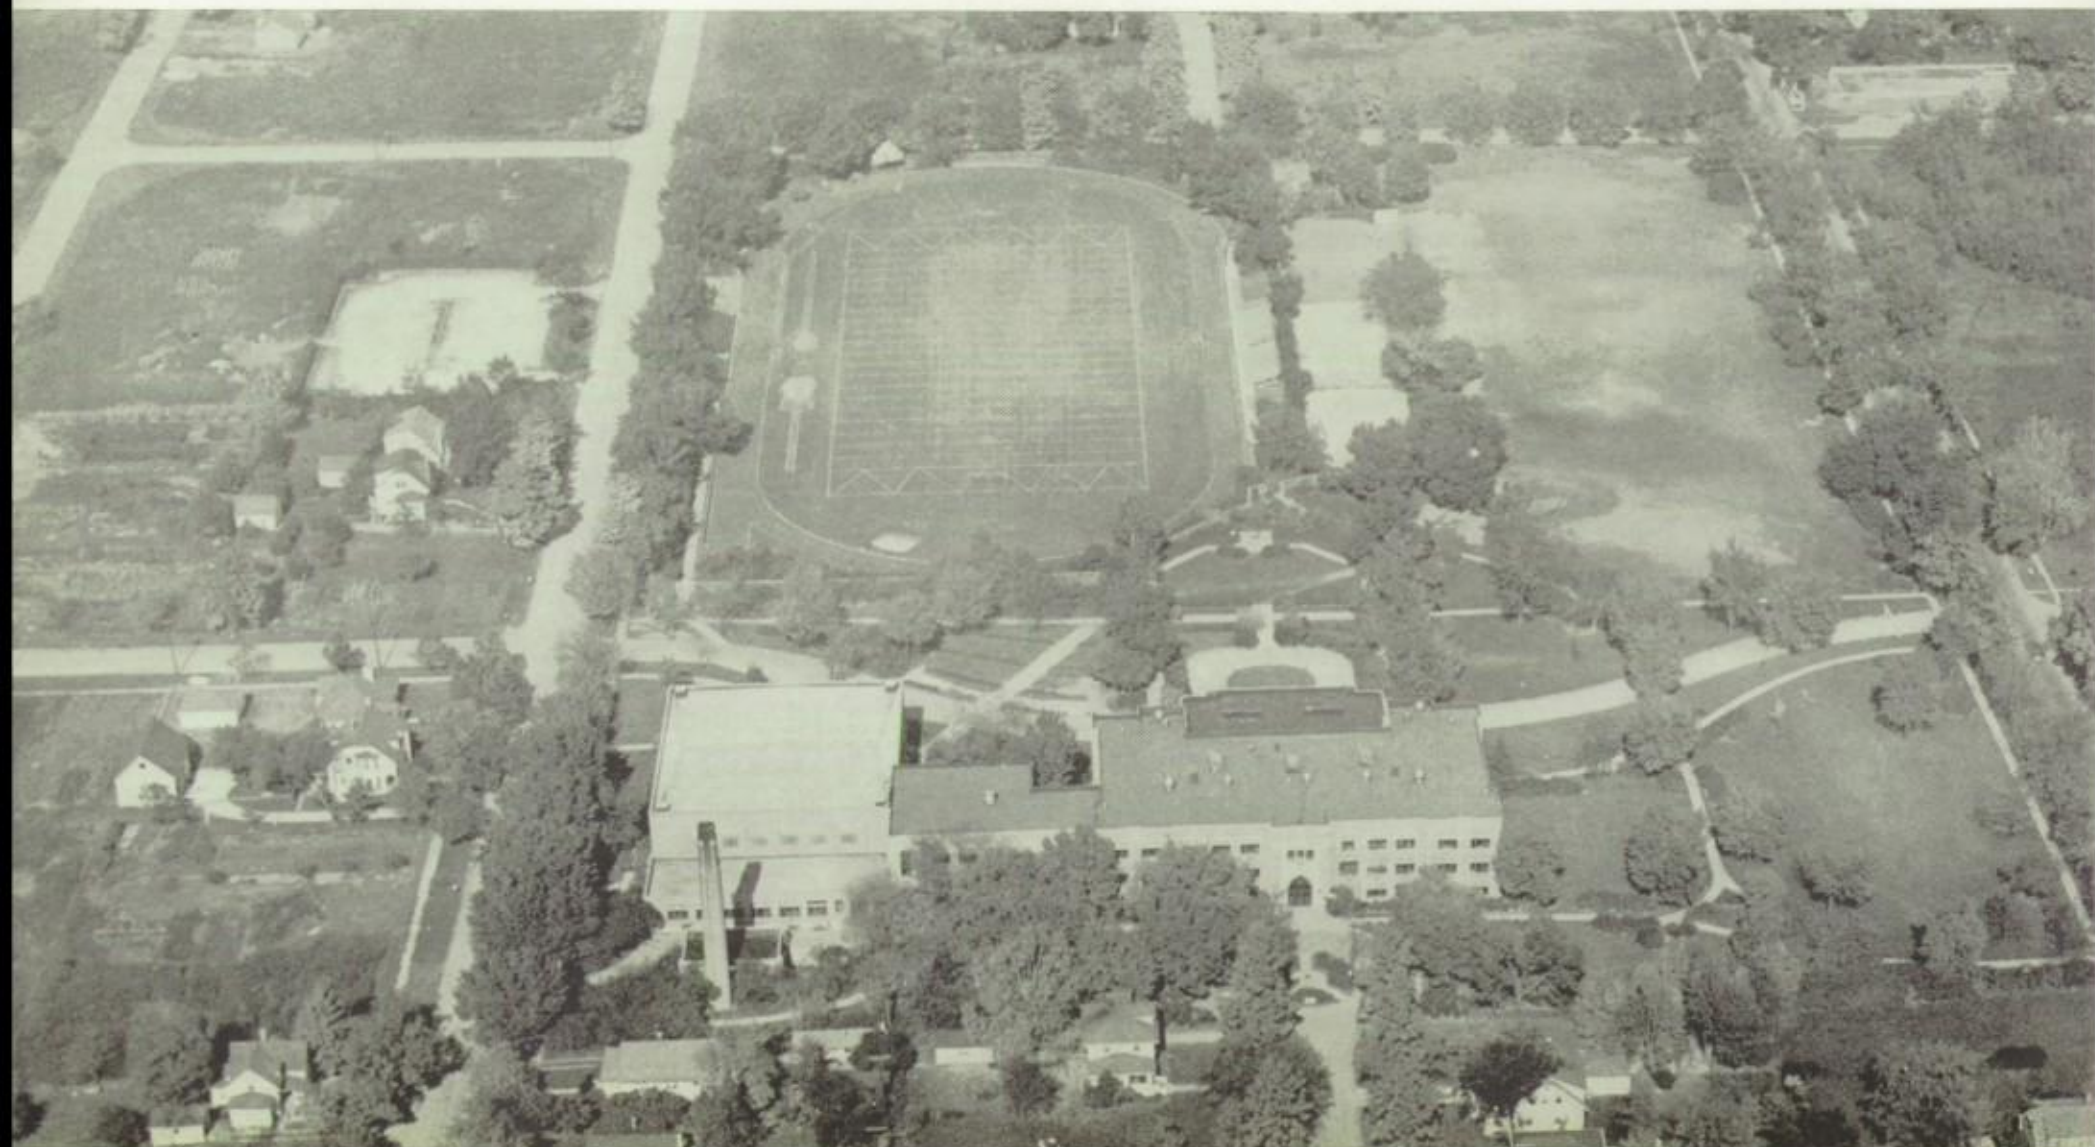

Perhaps most important, Mr. Taylo is the embodiment of the "play-fair" spirit. Although he encourages and leads the cheering, he always strives for good clean enthusiasm.

Therefore, we dedicate our 1958 Cauldron to an excellent teacher, a hard worker for D.G.H.S. and a fine man—Mr. Julian Taylo.

"Come on, fella, you can do it!"

"Bombs away!"

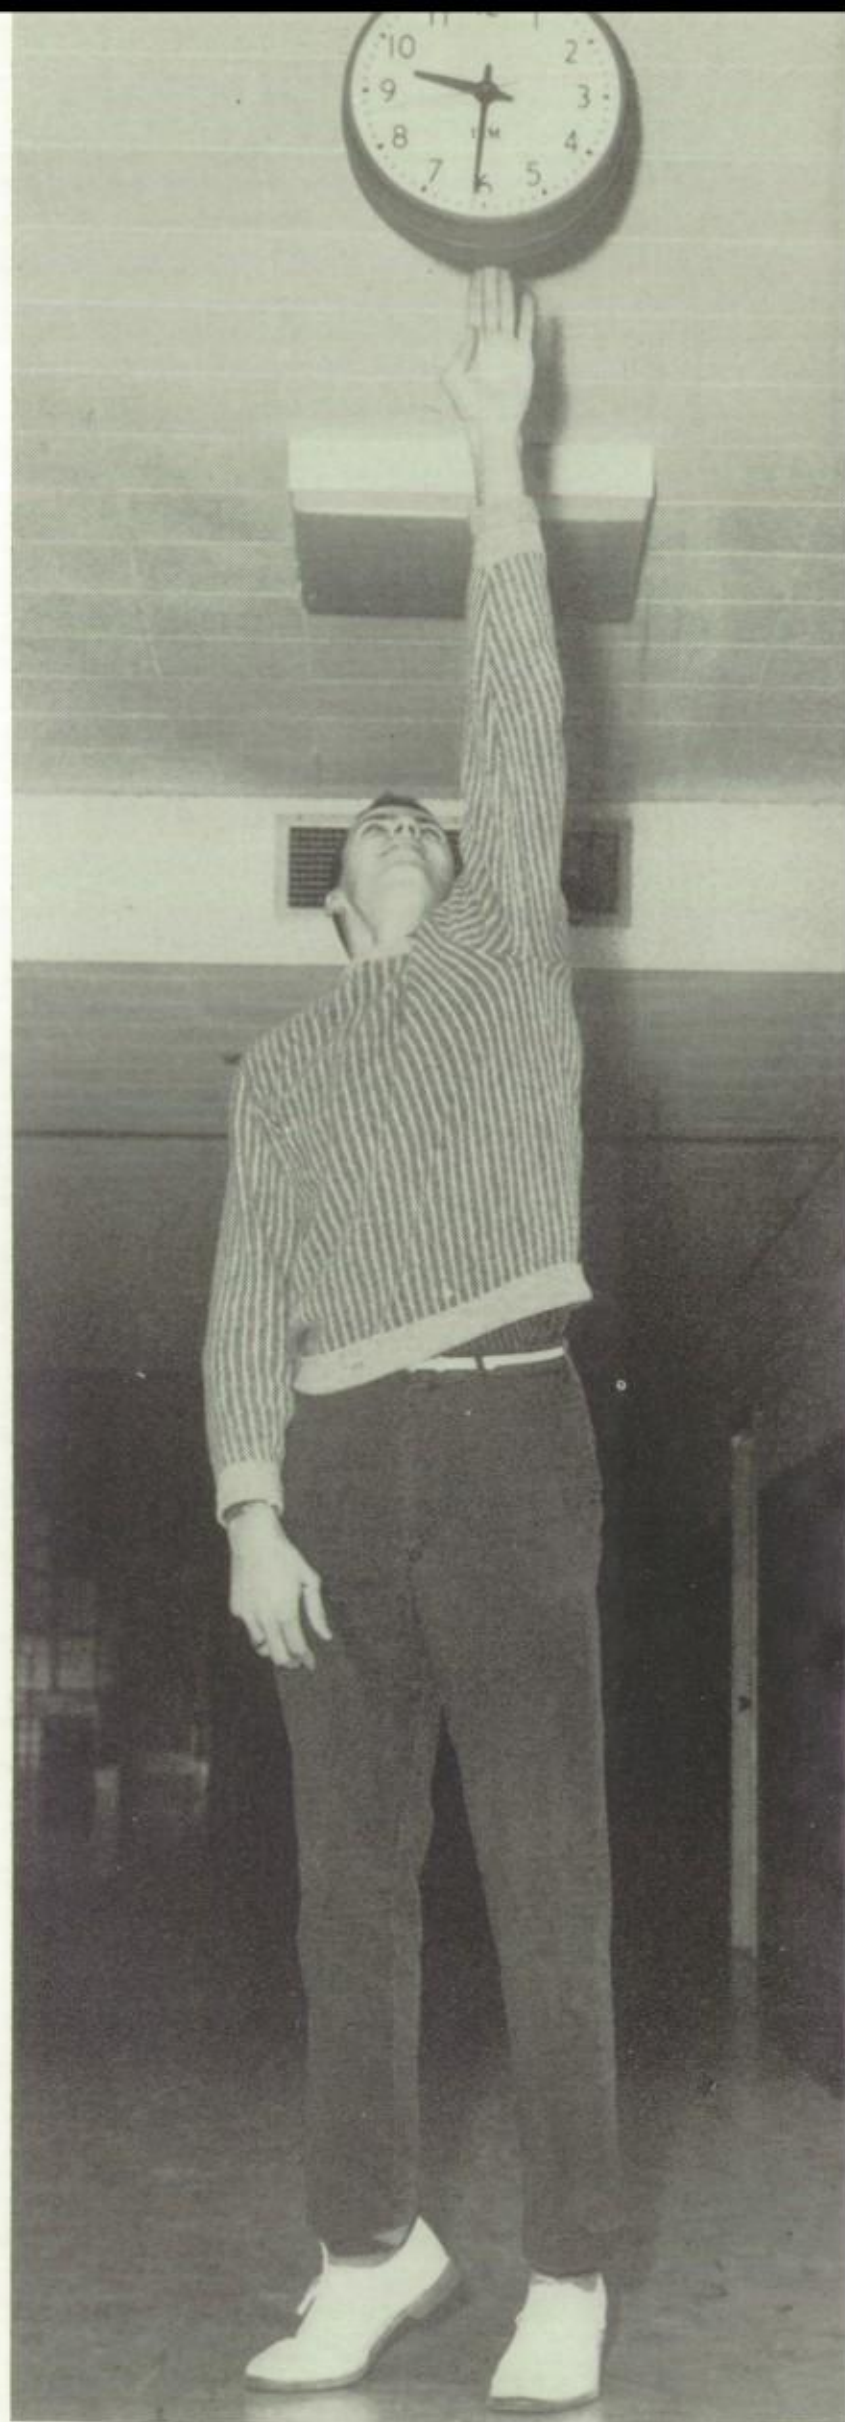

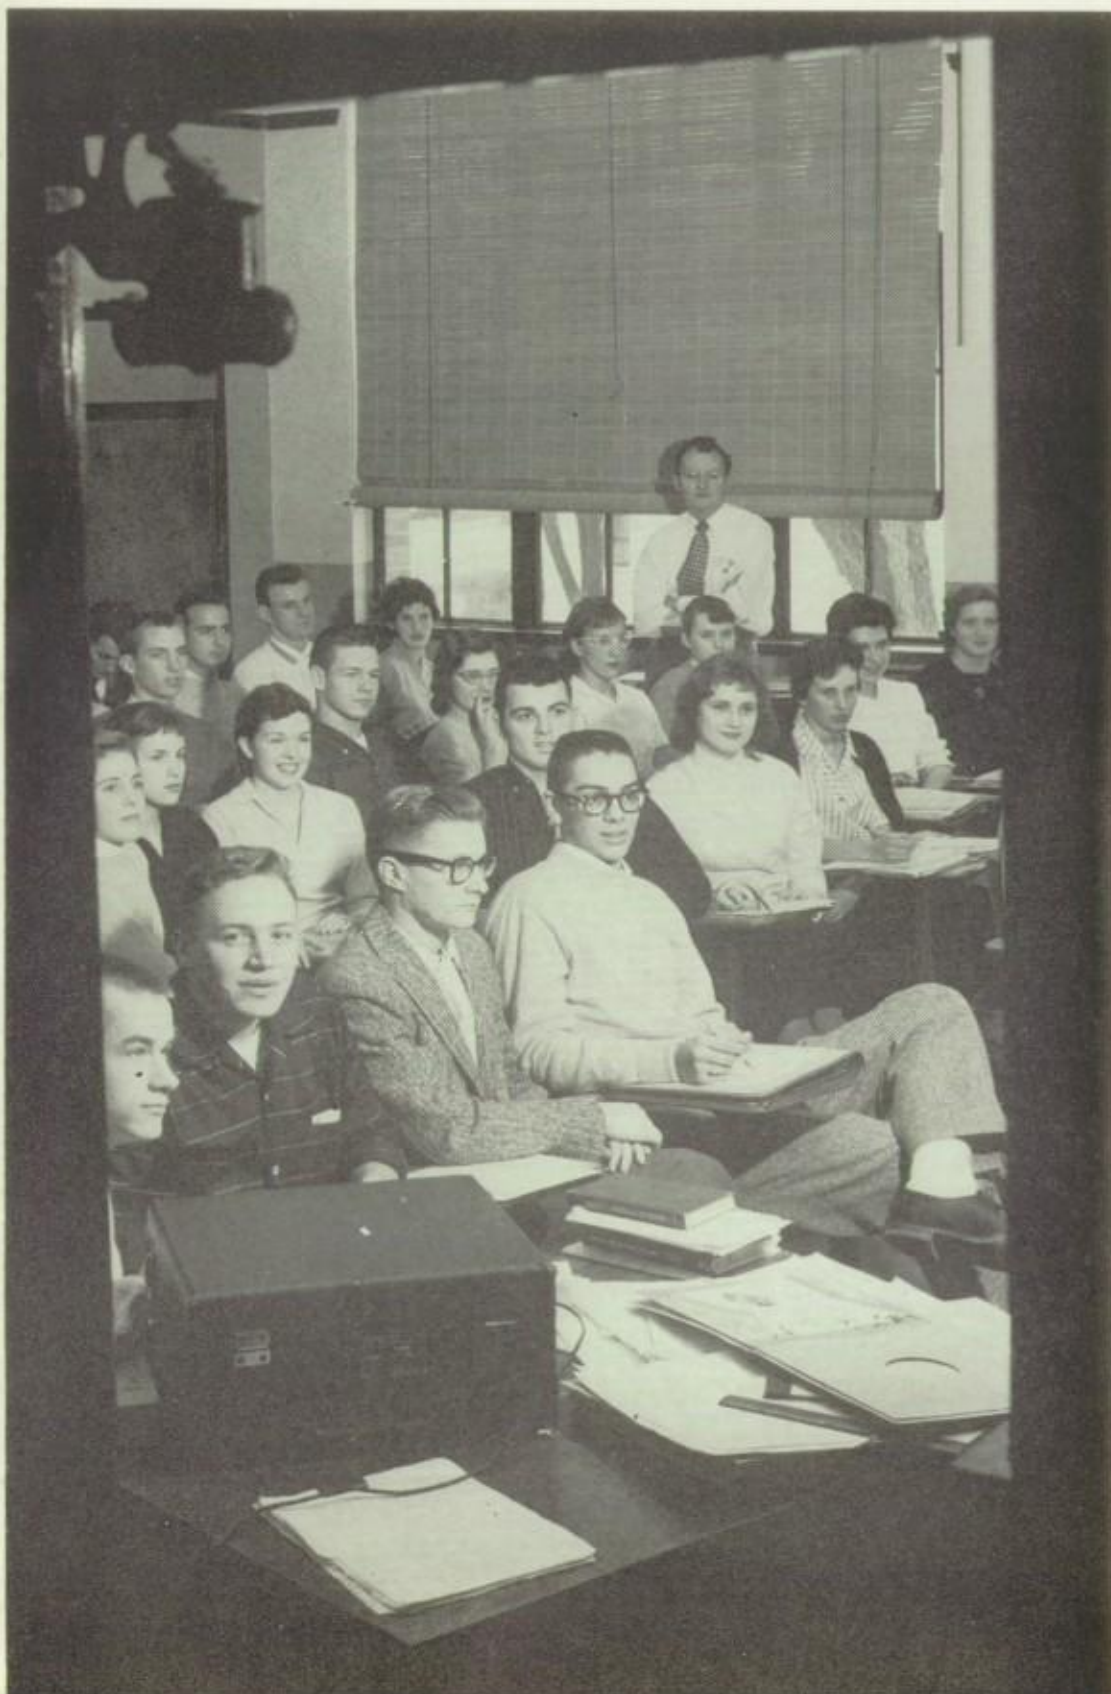

"Block that kick."

ADMINISTRATION

This year we are proud to welcome Mr. Glenn E. Pickrel as our new superintendent of schools. He, along with the Board of Education, is doing a commendable job directing our high school through this trying period of construction and expansion.

The administrative staff deserves our special gratitude for the guidance it offers. Through the efforts of Messrs. Pickrel, Johnson, Adams, Guthrie, Mrs. Andersen and Dr. Hetland, the students are taught the principles of fine living and given the basis on which to form outstanding characters.

PTA

Bridging the gap between each student's home and school activity is DGHS's energetic Parent-Teacher Association.

Two of the PTA's four annual meetings, this year, were the Fall Open House and the Christmas concert. Working with the high school's teen-agers, the organization began making plans for the installation of a stop-light on Main Street near the school. A student-conducted survey helped to provide necessary information for the PTA members engaged in the project.

Once again, PTA proved the basis for improved parent-teacher-student relationships.

Visiting Counselor

Standing, left to right: Mrs. Curry, Mrs. Gregory, Mrs. Cooper, Mrs. Kresse, Mr. Adams, Mr. Seinworth, Mrs. Barans, Mrs. Barrenbrugge, Mrs. Sandow.
Seated, left to right: Mr. Powell, Mrs. Fernald, Mr. Laird, Mrs. Silberstorf, Miss Paul.

Standing: Mrs. Lois C. Dahl, M.A., 11; Mrs. Pauline Kirchhoff, B.A., 1; Miss Almalee Greenlee, M.A., 3, Counselor; Miss Lola Hunting, B.A., 1.
Seated: Mrs. Noel Johns, B.S., 1; Miss Patricia Bush, M.A., 1; Miss Marjorie Wood, M.A., 1, Drama Coach.

ENGLISH DEPARTMENT

David Copperfield, Julius Caesar, the Merchant of Venice—these previously rather vague and hazy characters now begin to take definite shape in our minds through the perseverance of our English teachers. These same patient people, guided by Dr. Melvin Hetland, lead us through the maze of gerunds, abstract

nouns and through all the complexities of the research paper. Instruction in speech is also included in our English curriculum. With the completion of English, we have developed and improved ability to read, write, spell, and speak.

MATHEMATICS DEPARTMENT

Every student at Downers Grove High School has at some time been acquainted with one of the able teachers in our math department.

Although many students take advantage of only the first year or two of mathematics instruction, others continue in advanced studies in college algebra, solid geometry and trigonometry.

Under the supervision of Mr. Paine, the department trains scholars in the useful arts of mathematics, so necessary to everyday life.

Standing: Mrs. Dorothy Layman, M.A., 1.

SOCIAL SCIENCE DEPARTMENT

Future citizens of the United States find ample opportunity to increase their knowledge of the world and its history and of their government and its activities through the social science department of DGHS, headed by Miss Mildred Bales. Sophomores choose between World History and Ancient History, while juniors may follow-up with Modern History. During the American History course, seniors learn about our constitution and also write a term paper. Electives in this department cover a wide field, including Sociology, International Relations, Geography and Government.

FOREIGN LANGUAGE DEPARTMENT

It is not uncommon to hear more than just our native tongue spoken in the halls of Downers Grove Community High School, for foreign languages hold their own in the cosmopolitan atmosphere of D. G. H. S. The patience and ability of the teachers have resulted in a surprising number of hopeful linguists. The French "professeur" and acting head of the department is Miss Howland, the German "lehrerin" is Miss Pieper, the Spanish "profesores" are Miss Greeman and Mrs. Saxby, and the Latin "magisters" are Mrs. Cleveland and Miss Chessman. These teachers instill in their students a true appreciation of the language, culture, and customs of other peoples.

"How do you do, Miss Barnes?"

FINE ARTS DEPARTMENT

To provide a cultural background in the fields of art and music, as well as teach the skills and techniques of these subjects, is the aim of the fine arts department.

Art students learn basic principles and put their knowledge to good use by entering contests and displaying their creative works in school. The three music departments present several concerts during the year, either individually or combined, the highlight being the Christmas program.

The popularity of this department is evident in its extra-curricular activities.

Standing, left to right: Miss Velma Dickson, M.A., 16; Miss Louise Poppe, B.A., 1; Miss Barbara Barnes, M.A., 3; Mr. Clarence J. Shoemaker, M.M.Ed., 29; Mr. John C. Svoboda, M.M.Ed., 8.

Standing, left to right: Mr. J. Frank Riddlesburger, B.Ed., 17, Driving; Mr. Donovan B. Ingles, M.A., 20; Mr. William R. Cleveland, M.S., 27; Mr. Kenneth Lage, M.A., 17; Mr. Frederick Schultz, B.S., 1; Mr. Henry Chicoine, B.S., 1.

PRACTICAL ARTS DEPARTMENT

Mrs. Louise Cunningham, B.S., 1; Miss Vivian Vifquain, B.S., 21; Miss Carol Uerkvitz, B.S., 1.

This year, two classes, electrical shop and auto mechanics, were added to an already fine Practical Arts department. Industrious boys studying printing, woodworking, electrical and auto mechanics, and mechanical drawing, found their studies more enjoyable due to the new shops and equipment. Future homemakers learned cooking, sewing and home management in brightly colored rooms with enlarged facilities.

The growth of this one department, headed by Mr. Cleveland, is an example of the growth of our entire school.

Seated, left to right: Mr. Guy Wellman, 6; Miss Leigh Heller, 4; Miss Irene Krajewski, 7; Standing, left to right: Mr. Warren Holbrook, 3; Mr. James Stahl, 12.

PHYSICAL EDUCATION DEPARTMENT

Even with the limited facilities and crowded conditions the physical education department under the direction of Guy Wellman has provided all pupils with the same high standard athletic program as before.

Boys and girls alike developed skills in basketball, volleyball, baseball and trampoline techniques. Also on the agenda were health classes for freshmen and sophomores and First Aid classes for the juniors. The seniors did not take gym this year because of lack of space and time.

"Learning the Rules."

Mr. Everett Holt, M.S., 27; Miss Louise Killie, M.A., 15; Mr. Roger Price, M.S., 2; Mr. Paul Kluth, M.A., 1.

NATURAL SCIENCE DEPARTMENT

Perhaps the educational field most important in the world today is that of science. It is this department, under Mr. Everett Holt, that prepares future scientists.

Every year similar comments are heard outside the lab rooms. Biology students constantly grimace as they discuss their cut-up frogs. Seniors hold their noses referring to the latest 'expurment' in chemistry. All physics students continually worry about the difficulty of the course.

Science, first in the mind of the world, is evidently foremost in the minds of the students.

BUSINESS DEPARTMENT

The business department, headed by Mr. William Corr, presents studies of the basic skills needed in today's business world. Here students are able to learn typing, the mechanical aspect of stenography and accounting or study the principles of commercial law and economics.

In office practice, students get practical experience in office procedures. There are also basic general business classes where general business knowledge such as budgeting and simple accounting is presented.

Our business department annually turns out a large number of capably trained students.

SPECIAL SERVICES

What a job it is to keep a smiling face, answer the telephone, type, keep attendance records, and answer questions at the same time. However, the D.G.H.S. office force managed very well and everyone will remember how convenient it was to get short but definite answers to inquiries like, "Has a physics book been turned in?" or "When may I talk to Mrs. Anderson?" The office secretaries make the students' and teachers' lives much easier and certainly more pleasant in D.G.H.S.

"Will you renew this book?" "Where do I find the Life Magazines?" These were common questions to the librarians who kept our library in operating order and assisted the student body and teachers in locating reference books, fiction and non-fiction books, magazines, and records.

Mrs. Edith Campbell, M.A., 1; Miss Lorena Shorman, M.A., 6; Mrs. Marguerite Bohrnstedt.

Mrs. Bayler, Mrs. Ferguson, Mrs. Davies.

CAFETERIA

We owe our deep thanks and appreciation to Miss V. Godman and her staff for the excellent job they have done this year in spite of the poor facilities, due to the incomplete cafeteria.

The gym has served a double purpose this year as both a gym and lunchroom. Yet the staff has still provided us with a variety of hot and cold sandwiches, milk and ice cream.

CUSTODIANS

Whether there are halls to be swept, woodwork to be dusted, desks to be repaired, or jammed lockers to be opened, the custodians are always eager and willing to help. They managed to keep the gymnasium orderly despite the numerous activities and lunch period held there. The seventeen member staff, headed by Will Fredrickson, did a stupendous job in maintaining pleasant study conditions in our growing school.

ROW 2: Michael Sattanni, John Hunyard, Frank Olson, Stanley Jader. ROW 3: William Moll, Henry Faulhaber, William Natchway, Leroy Riske, Hendrik Stijve.

BAND PARENTS

Backing up our band is an important parent organization—the Band Parents Association.

Among the Band Parents Association's functions are the defraying of music contest expenses and the enlargement and maintenance of the music department's audio - visual equipment.

Each year music scholarships are provided for talented band members at the summer music camp of the University of Illinois.

Standing: Mr. Robert Lerche, Mr. Harvey Balzer, Mr. Clarence Shoemaker, Mr. Gene Haney.
Seated: Mrs. Robert Quigg, Mr. Art Fahrenkrog, Mrs. Loris Brownell, Mr. Carl Anderson.

ORCHESTRA PARENTS

The orchestra, this year, was again ably sponsored by the Orchestra Parents Association.

This organization provides financial assistance for the members of the orchestra. It sponsors semi-annual concerts, the state contest trip, and annual scholarship awards to the outstanding seniors of the orchestra. Students who play in the orchestra are certainly indebted to the orchestra parents for their lively interest.

Seated: Mrs. Harold Hill, Mrs. Charles Barnes, Mr. George Miller.
Standing: Mr. L. Lewis, Mr. Gene Haney, Mr. George Moore.

TROJAN BOOSTERS

Constantly reminding us of the interest which our parents take in our high school life is the spirited Trojan Booster's Club.

Comprised of fathers of sports-minded boys, the Club is led by Mr. Brooks Paulsey, president; Mr. James McAllister, secretary; Mr. Edward Cline, treasurer; and Mr. Logan Buell, vice-president.

Under the direction of the Trojan Boosters, the three athletic banquets of the year are presented. Often, with their assistance, needed athletic equipment is supplied at just the right time.

The result is a supply of moral and financial backing which has become an indispensable part of DGHS's sports activity.

MUSIC

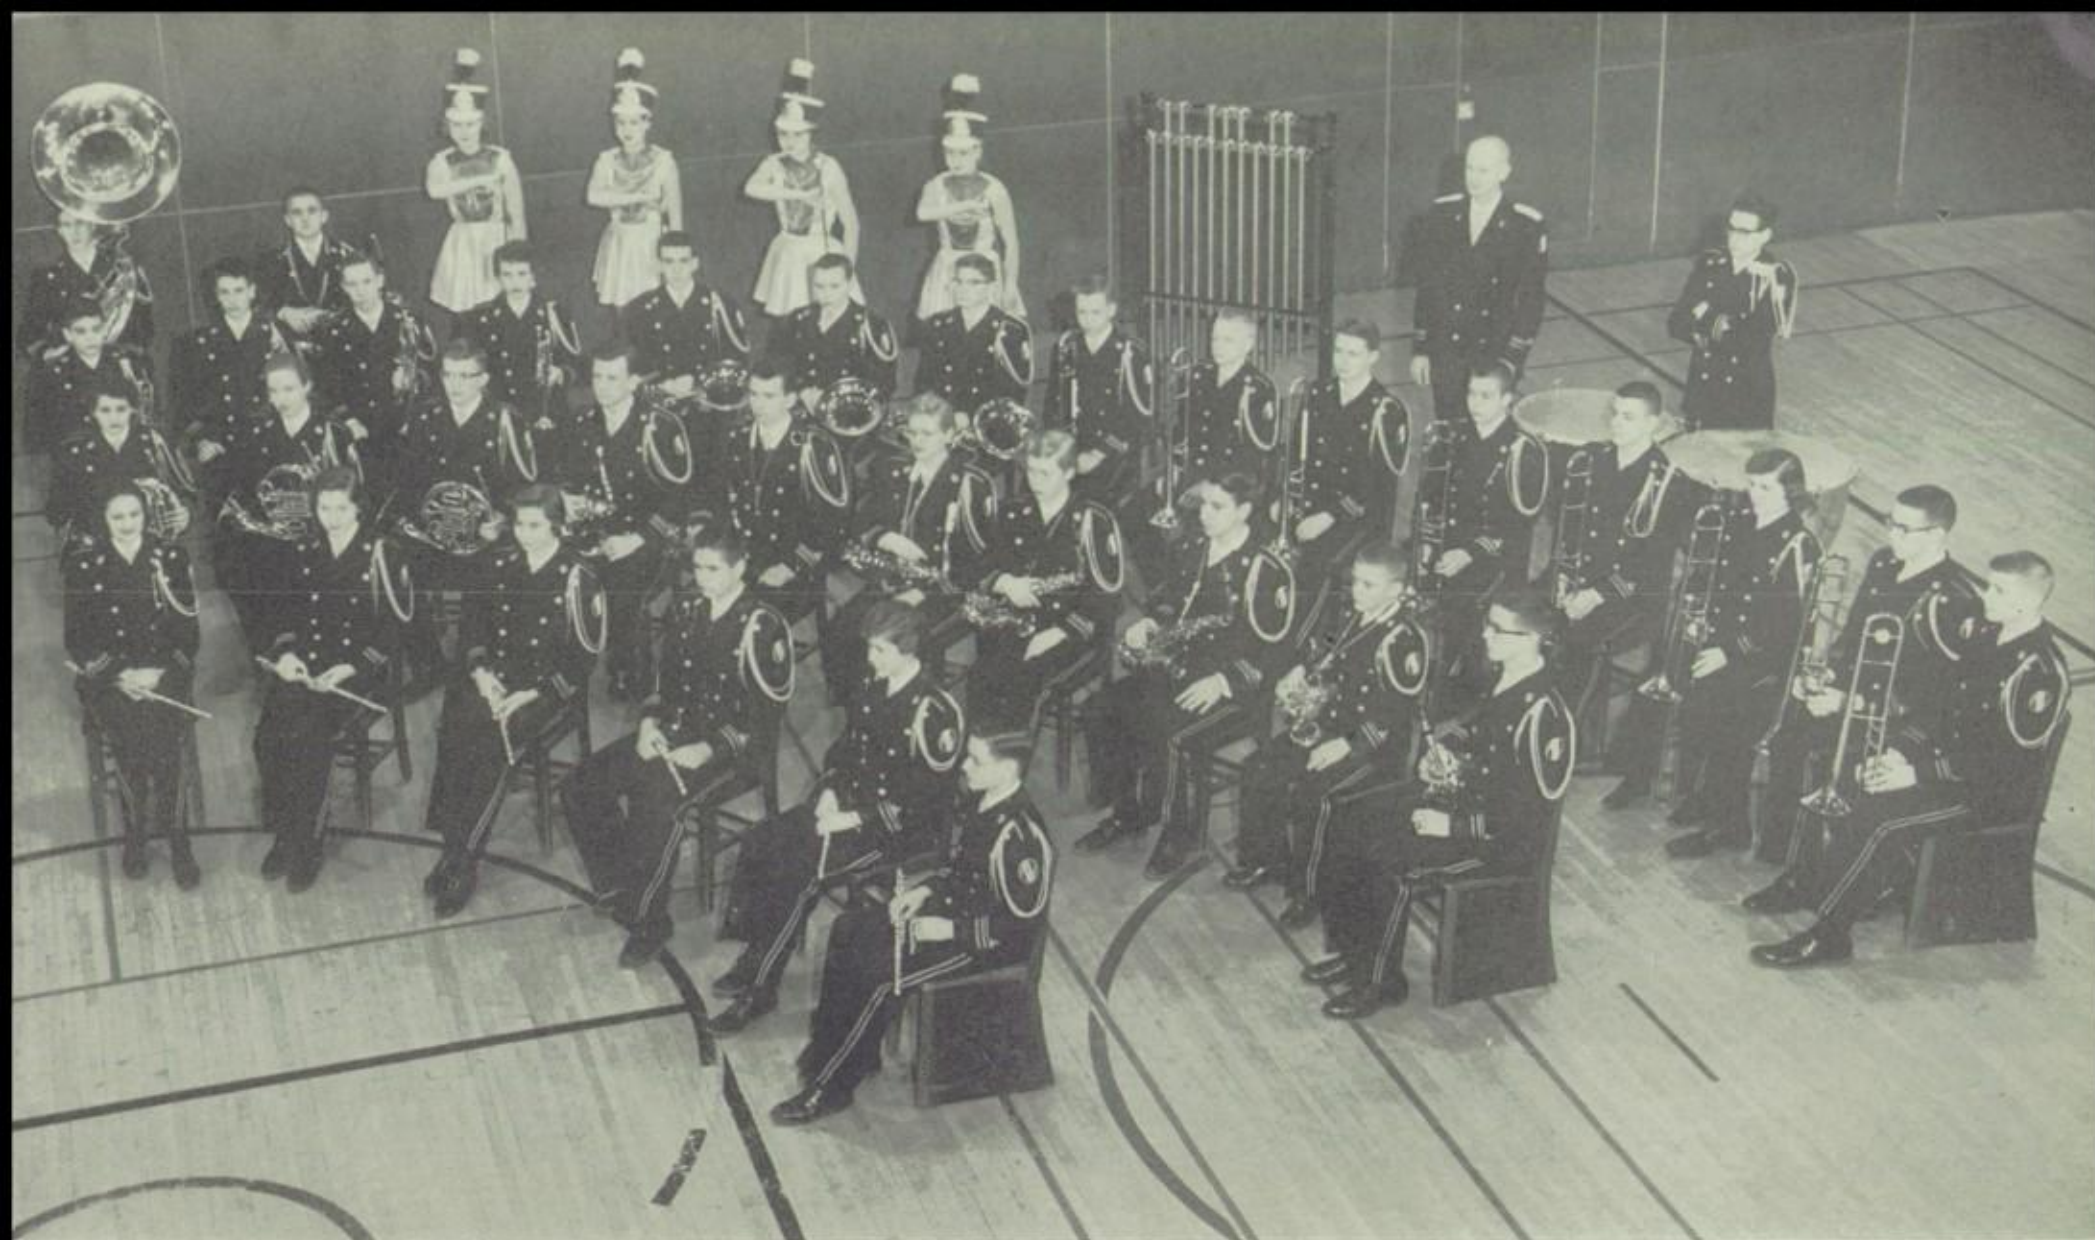

BAND

"Flute Cocktail"

Under the capable direction of Mr. Clarence Shoemaker, our band has upheld its past record of fine performances to the highest degree. Evidence of this is shown at the football games, where they perform intricate marching formations. During the winter months the band plays at many of the home basketball games. They also present concerts during the year and occasionally they provide music at school assemblies.

Each spring we are given proof of our band's high caliber as it rates highly in competition.

ORCHESTRA

For a number of years now, Downers Grove has had one of the top orchestras in the state. During the past year this fine group has developed a repertoire of music, including everything from classical to popular, and has presented several concerts.

Each year under the direction of Mr. John Svoboda the members enter several music contests such as the District Music Contest and the State Music Contest where they maintain a superior record.

VOCAL MUSIC DEPARTMENT

Under the baton of Miss Barbara Barnes, the A Cappella sang its way through another successful and eventful year.

The choir participated in numerous programs throughout the year. Among them were the Fall concert, the Christmas program, the Baccalaureate service and Commencement.

Miss Barnes spent much time aiding the choir in perfecting its sight-reading, tone quality, and harmony.

As music is a form of recreation which everyone can enjoy, the value and honor of singing in the A Cappella is not disputed by any member of the choir.

Other vocal groups training students in our high school are the Junior-Senior Girls Glee Club, the Boys Chorus, and Freshman and Sophomore Chorus. By performing at the Fall and Christmas concerts, members of these organizations gained valuable experience and necessary musical knowledge for future enjoyment.

HOMEcoming

Homecoming '57 sprang into reality Friday night, Oct. 22, with a Pep Rally, Bonfire and Snake Dance. The pep, enthusiasm, and fun of this evening was a perfect introduction for the spirited week-end.

Queen Judy Anderson, Sherry Wolf, Betty Sue Frey, Sue Curry, Judy James, Judy Gibson.

Barb Royds, Williard Bades, Dave Gardiner, Miss Kitty Reuther, Sherron Francis, Sue Curry, Bill Gregory, Judy Gustafson, Brooke Paulsey, Jim Dapogny, Don Keough, Polly Wandschneider, Betty Watkins, Bill Garner.

Saturday's festivities consisted of a colorful, longer than ever, parade—leading to the excitement and thrills of the football game, at which Judy Anderson was announced Homecoming Queen.

"Memory Lane," the long-awaited dance, climaxed the delightful week-end.

The credit for such a successful Homecoming belongs to the homecoming steering committee, its director, Miss Katherine Reuther, and its faculty advisors, Mrs. Irene Kohler and Mr. Julian Taylo.

ELECTRONICS CLUB

Although it is one of the newest organizations in school, the Electronics Club has rapidly become a prominent school activity. Its program has included movies and field trips, closely allied with individual projects that explore television, radio, and high-fidelity. Highlighting the year were a trip to the W.C.F.L. radio transmitter and the completion of a new bulletin board for club publicity.

CHESS CLUB

It's Tuesday afternoon. School has been out for almost an hour. The silence is only broken by the gentle "clack-clack" of wood upon wood. An occasional bellow - "Check-mate!" - is ignored, for almost everyone is used to the characteristic noises of Mr. Fredrick Schultz and his enthusiastic Chess Club.

During the fall and winter months, the members play for fun and experience. But the highlight of Chess Club's year is the elimination tournament, held late in spring. There are also plans, this year, to organize a team which would participate in Conference competition.

CHEERLEADERS

"We only need two more points. Yell louder this time!" This is one example of the persistent persuasion that we might view at a D.G. sports event. At both football and basketball games, these spirited salesmen—our cheerleaders—encourage both team and crowd to do their best in playing and yelling.

Through attending a workshop sponsored by Glenbrook High School this fall, Miss Heller, the cheerleading sponsor, and both squads of cheerleaders gained new ideas and techniques for cheers and pep rallies.

FRENCH CLUB

French Club provides supplementary information and entertainment to the class studies. This year its members reviewed the lives of many celebrated persons of France, and heard lectures. Miss Blanche Howland, its director, helped to promote enthusiasm by showing her slides of France and its bordering countries.

GERMAN CLUB

Operating under a new system this year, the German Club was organized so that each German class had its own separate group. In addition to the customary activities, the students broadened their interests and knowledge of German by reading literature which was published in Germany. Their command and facility in handling the language was strengthened by giving German plays. The climax of the year's work was the spring banquet, when all five groups collaborated in putting on a large program.

SPANISH CLUB

Talks by guest speakers, viewing slides of Spanish speaking countries, attending the Christmas party and spring banquet were some of the Spanish Club's many activities.

Conversation club, which meets once every week and during which only Spanish may be spoken, was formed this year as a branch of Spanish Club. The membership is limited to second year Spanish students.

Spanish Club is headed by Dave Bertolin, president; Mary Lou Blessant, vice-president; Sue Tipton, secretary; and Sharon Mathai, treasurer. The capable advisors are Miss Marion Freeman, Miss Lola Hunting, and Mr. Maynard Saxby.

Margie Bradford, Sharon Mathai, Gwen Law, David Bertolin, Lynne Bradley, Mary Lou Blessant, Sue Tipton.

Doug Shook, Jim Pechinski, Don Blake-more, Tom Colvin, Ed Duffy, Dick Perkins, Bill Miller, Burr Eichleman.

LATIN CLUB

Latin Club, led by Miss Betty Lee Chessman and Mrs. Helen Cleveland, functions as a supplement to regular classroom study. The main features of the monthly meetings are reports which discuss ancient Roman life and times. Student-planned reports and Latin language games fulfill the purpose of stimulating a greater interest in Latin.

DRAMA CLUB

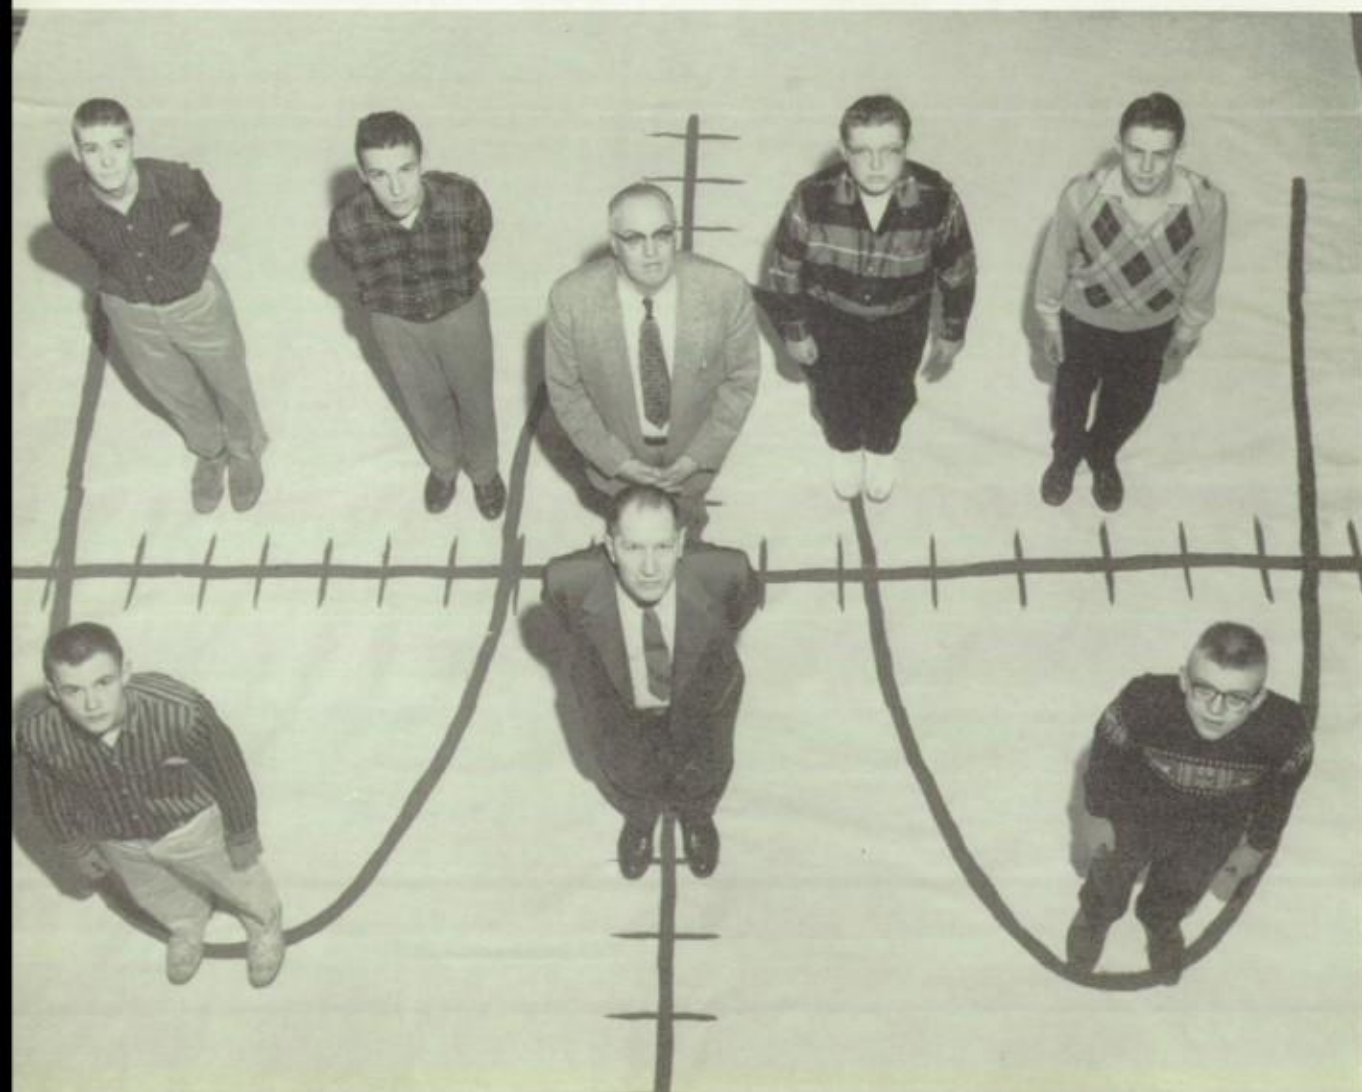

Trips to Chicago to attend performances of "My Fair Lady" and "Diary of a Young Girl" highlighted Drama Club activities. The lack of an auditorium this year forced cancellation of the annual play night, but a number of skits were presented throughout the year before various clubs and organizations.

Drama club has enjoyed a very successful year with Sue Quick as president; Mike Gardiner, vice president; Peggy Grimes, secretary; Mike Marchiando, treasurer; Suzanne LaFayette, program chairman; Lynne Bradley, publicity chairman; and Mrs. Marjorie Wood, advisor, heading these activities.

JUNIOR AND SENIOR MATH CLUB

With the addition of a Junior Math Club to the present Senior group, extracurricular mathematics activities have been provided for interested students of both beginning and advanced level. The Sr. Math Club, under the guidance of Mr. Edward Paine, has devoted much of its time to exploring calculus while the Junior Math Club, sponsored by Mr. Lee Miller, has studied the use of the slide rule.

CAMERA CLUB

Camera Club, one of the hardest hit by the construction work, could only begin its activities in the second semester when the darkroom was finished. The purpose of the club, under the direction of Mr. Everett Holt and Mr. Larry Leathers, is to teach the members how to take better pictures and how to develop, print and enlarge the negatives. They also plan field trips to find interesting subjects.

COMMERCIAL CLUB

Our Commercial Club works to give its members knowledge of what to expect when they begin actual work in the business world. Under the direction of Miss Ethel Marema, the girls hear speakers who give qualifications of various jobs. This year they have learned how the Argonne National Laboratories are managed and have visited a bank.

F. T. A.

"An apple for the teacher" was the theme of an F.T.A. project this year which recognized American Education Week.

In addition to tutoring, members assisted teachers by grading papers, typing, taking over classes and filing papers. Recognition for these services was given at the annual banquet.

Various conferences and workshops brightened the year, the most influential being an all-day trip to DeKalb.

Miss Almalee Greenlee sponsored the club with the help of Miss Welker during the first semester.

F. N. A.

The candle, in the symbolic urn, shines its brightest (In remembrance of Florence Nightengale) at every Future Nurses of America ceremony. F.N.A. offers girls a chance to become acquainted with nursing and medicine. Field trips and teas at various hospitals, monthly meetings, speakers and movies—these are all a part of the F.N.A. busy schedule. Guided by Mrs. Bottomly, the school nurse, this club does its part in furthering the interest in nursing.

A. V. A.

Unlike most organizations, the A. V. A. dedicates itself solely to the service of the school.

Many hours are donated by its members in order to add to the knowledge and enjoyment of the students. The pleasant enlightenment received from classroom films are an important and integral part of virtually every course.

This year the A. V. A., under the shrewd but kindly guidance of Mr. William Cleveland, has performed a commendable job not only in showing these films but also in setting up the public address system at the assemblies and pep rallies.

ART CLUB

Improving individual artistic abilities was the goal of the Art Club members. Capably sponsored by Miss Velma Dickson, the club carried out many projects this year. Copper enameling was one of the major activities.

Y-TEENS

Enthusiastic members + hard work + lots of fun = Y-Teens, an active club advised by Miss Corinna Fronk. Early in the fall, activities included the big-little sister picnic, the initiation tea, and the building of float which won second place in the Homecoming parade. Throughout the year general meetings were held, usually once a month, with a special program on Christmas.

The big event of the year was the annual Y-Teens dance, named "The Secret Garden." At the spring Mother-Daughter tea, awards were given to those members who had especially helped during the year. "Through the Looking Glass," a fashion show, was the main project of Charm club.

HI-Y

The Hi-Y, a boys' club affiliated with the Y.M.C.A., has an active branch at our high school.

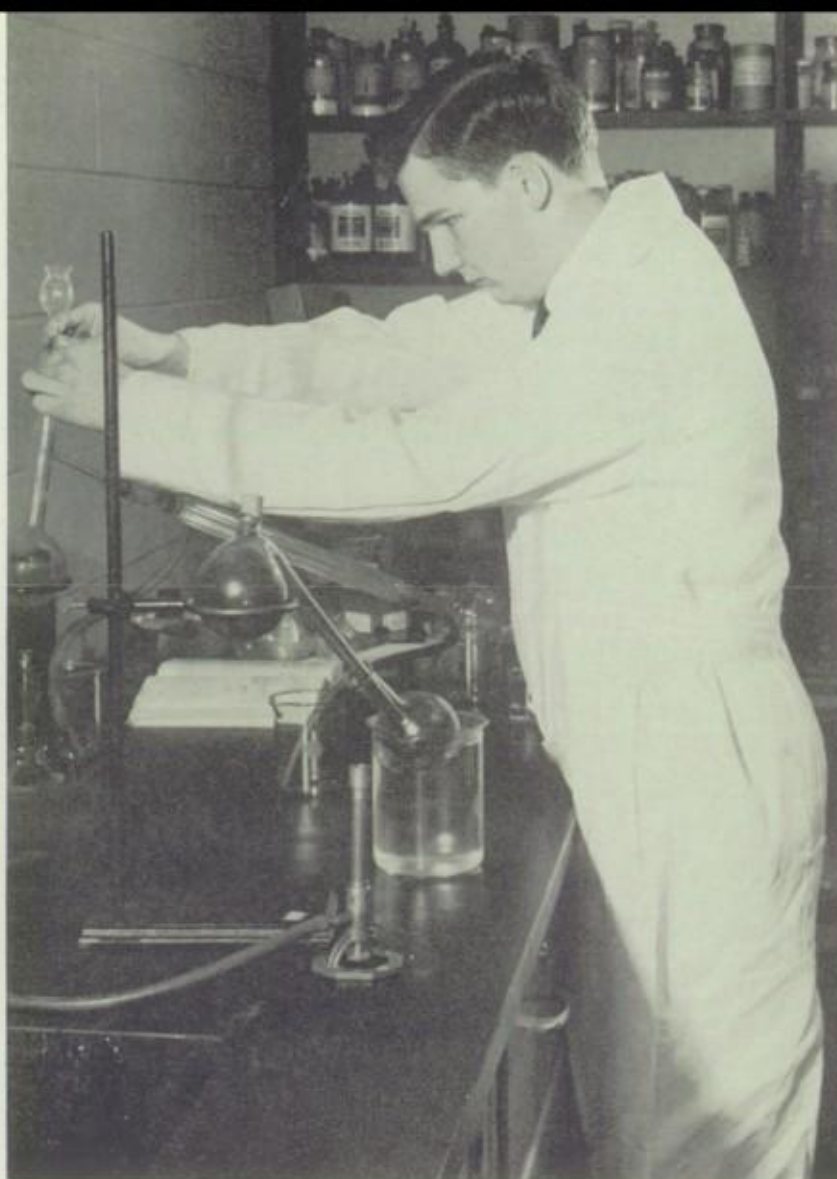

Under the regimentation of Mr. Pappas and Mr. Bowles, the Hi-Y again served our school by selling hot dogs and cokes at football games, and providing guides for college night. Last spring this organization decided to award a \$100 scholarship to a deserving senior. Last year's president Norm Davis was honored with this endowment.

Other activities of this popular club included bi-monthly sportnights, barbecue banquet for initiates and the gathering of Christmas baskets.

SERVICE CLUB

Have you been one of the many lucky students who received notices from any of the offices of school? If you were one such person, no doubt it was a member of the Service Club who delivered it to you.

Members of this club give up their study halls to help in the deans' and counselors' offices. Answering telephones, keeping track of attendance, and do-

ing various odd jobs for the couselfors are some of their duties.

Lab assistants and hall monitors are also members of this indispensable D.G.H.S. organization.

The Service Club is not a formal organization, but we certainly owe its members a vote of thanks for their efficient work.

PHYSICAL SCIENCE CLUB

Constellations and galaxies, electrons and neutrons, sodium chloride and H^2O , conductors and grids—these are all terms familiar to the members of the newly-formed Physical Science Club, under the able leadership of its faculty sponsor, Mr. Roger Price. The budding scientists elected Bill Law, general chairman. Within the club are four divisions, each with its own chairman: Astronomy, John Poling; Atomic Physics, George Marousek; Chemistry, George Mirous; and Electronics, Manley Keeler. The main project of the year has been the building of two complex pieces of apparatus—a radio telescope and a digital computer.

BIOLOGY CLUB

For a club that almost wasn't, this year's Biology Club has been very active. Miss Louise Killie, advisor, reports that students join the club for several reasons—the activities and field trips, their special interests, and the various group and individual projects.

Since the club is small, the themes of the meetings are planned to suit the needs and interests of the members. This year they have visited the chrysanthemum show and the Biological Division of Argonne.

D CLUB

D Club, formerly only an honorary organization, became activated and established a constitution this year under the sponsorship of Mr. Richard L. Carstens. To make the club more meaningful, letter winners of the fall sports were initiated through a series of character building rites. The club also took on new responsibilities such as ushering at basketball games and other school functions.

PEP CLUB

Selling purple and white pom-poms during football and basketball games, and taking a substantial part in the cheering, Pep Club members did much to arouse school spirit. Under the leadership of Miss Leigh Heller, they combined with D Club to present the D—Shuffle. Members also put up pep slogans in the halls before all potential athletic victories.

The G. A. A. is one of our school's most active organizations. Each year, under the leadership of Miss Irene Krajewski, tournaments are held in speedball, basketball, and volleyball. Girls may also participate in archery, tennis and badminton.

In addition, G. A. A. has many other activities. This year the new initiates were "tortured" by Beulah Witch before becoming full fledged members and all enjoyed a Halloween party. The theme of the sophisticated 1058 G. A. A. dance was "Club Mantatten." Here the two co-winners of the G. A. A. cup, Judy Gustafson and Polly Wandschneider, were announced.

Rounding out its successful year, an awards breakfast was held at which members received their hard earned pins and letters.

Under the new direction of Dick Carstens, who moved up from his Frosh-Soph post, and his assistants Jim Lind and Warren Holbrook, the '58 Trojans started off the season with a 0-0 tie with Naperville and 7-6 victory over York.

With high hopes for a good season, the Downers eleven was defeated on successive weekends by Maine and LaGrange. After whipping Glenbard 28-0, the boys played their best game of the year holding Arlington

Heights, which was ranked thirteenth in the state, to a 13-13 tie. The Trojans record of 2 victories, 3 losses, and 2 ties was good enough for fifth place.

At the season's end, Wes Peiffer, Neil Goodman, and Steve Stephens were elected to the all-conference team. Receiving honorable-mention were Jack Kerchner, Emil Janik, and Denny Witkowski. With twelve returning lettermen, hopes for a better season next year are in sight.

FROSH-SOPH FOOTBALL

Having the conference title taken out of their grasp by a tie with LaGrange on the final day of the campaign, the Ponies had to settle for a second place finish. The Frosh-Soph eleven and their new coaches, Steve Oracko and assistant Rudy Skul, finished the season with a well-earned mark of six victories, one loss, and one tie.

Depending on a rugged defense which held its opponents to only twenty-seven points and kept them scoreless in five of the eight contests, and fighting with a more adequate offense, the Ponies gave a fine account of themselves week after week. Representing the team as Co-Captains were Dick Perkins and Truman Phillips.

CROSS COUNTRY

Although the team expected a better standing this year than last because of the returning lettermen, this year's season turned out to be somewhat of a disappointment.

This could perhaps be attributed to the lack of a permanent course and the unfortunate presence of the Asian flu. Our course clip-pers did nevertheless win one smashing meet against R. B.

Dave Larson, after winning most dual meets, was able to place 6th in the state competition.

Again Mr. Roger Price coached the team this year.

VARSITY BASKETBALL

Starting out the season well, the Trojans, under the direction of Mr. Guy Wellman, won easy victories over non-conference Wheaton, Naperville, and Rich. With high hopes for winning the championship, Downers opened the conference season against defending champion York, losing a close contest 52-50.

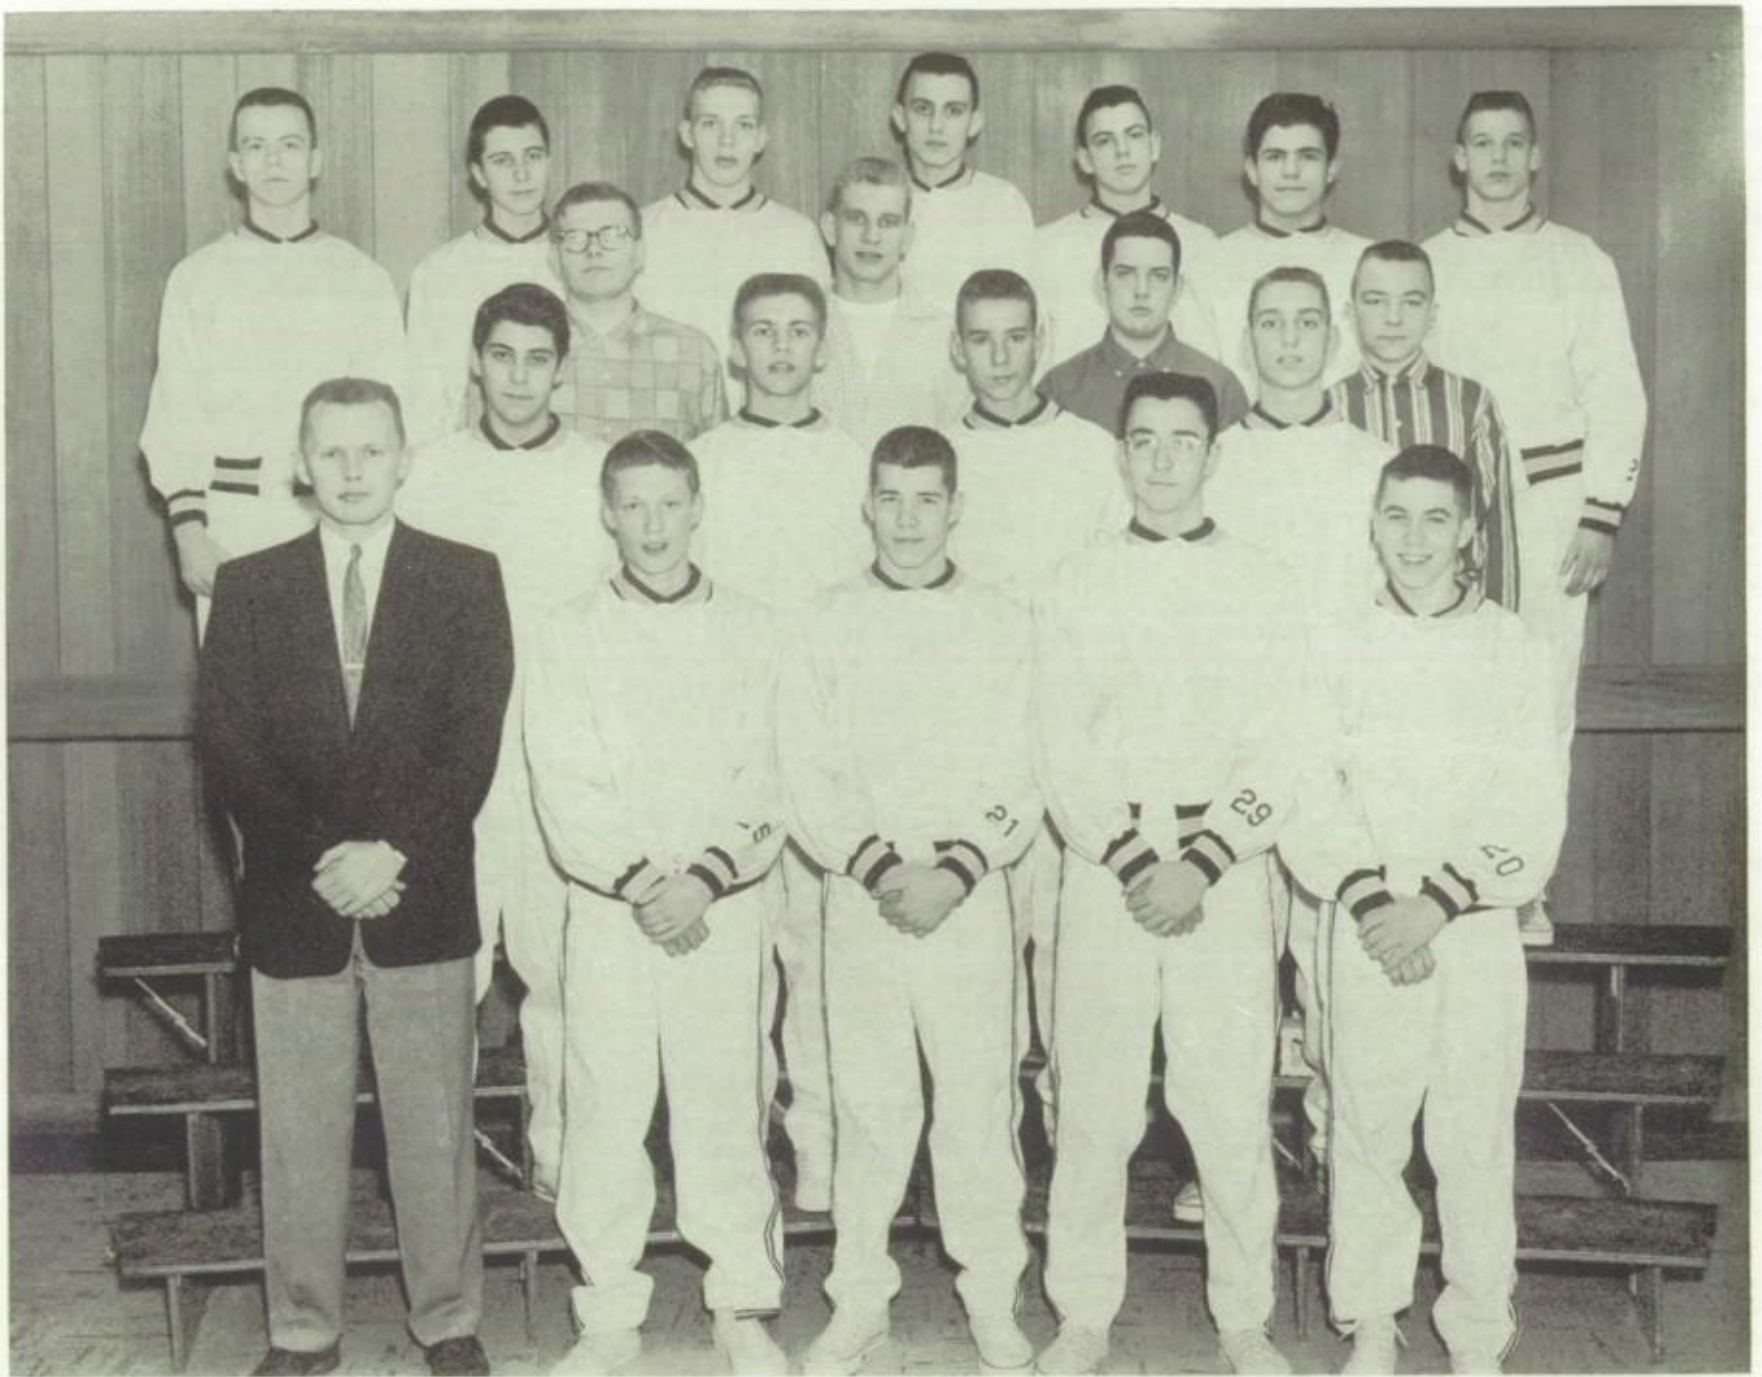

They went on to win the next seven out of nine games and were able to stay within striking distance of first place York. However, cooling off, the Trojans dropped three of their last four games, to finish in fourth place with an 8-6 WSC mark. Downers Grove's overall record was an impressive 14 won and 8 lost.

The Trojans were led by seniors Ray Paulsey and Wes Peiffer at forwards, Will Bandes, team captain, and Norm Gorecki at guards, and junior Ken

Lutgens at center. Juniors Dave Current and Denny Hauflaire also gave a good account of themselves. Receiving All-Conference honors for the second straight year was Junior Ken Lutgens who also won the scoring crown this year. Honorable mention went to seniors Norm Gorecki and Wes Peiffer.

FROSH-SOPH BASKETBALL

In his initial year as Frosh-Soph coach, Jim Lind and his Ponies compiled an overall record of nine victories and eleven defeats. Their conference record was good enough for a fifth place finish.

The team, possessing good shooting and speed, won their first four games before they hit a cold streak and dropped their next four. They played 500 ball for the rest of the year.

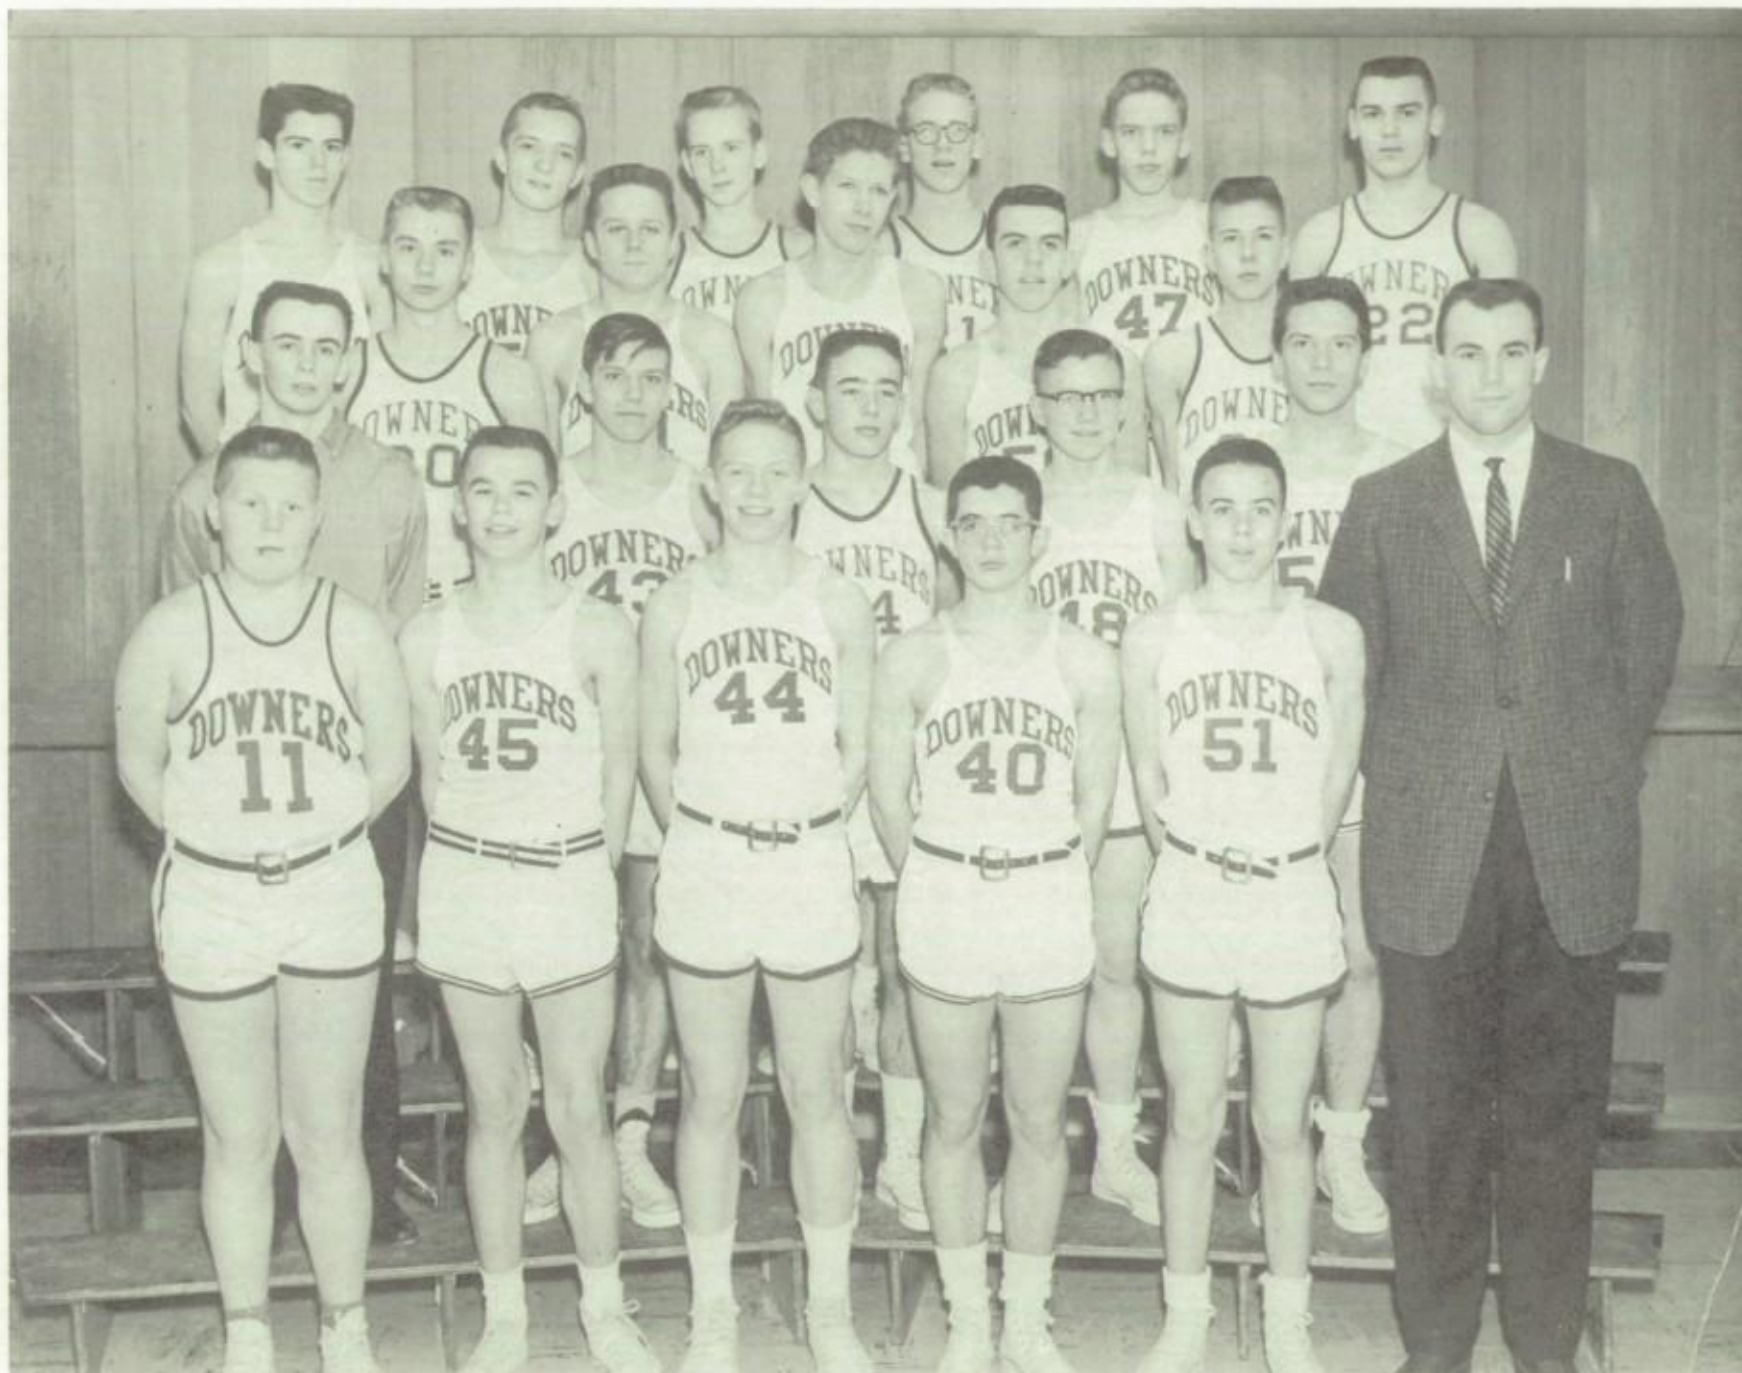

Leading the Ponies were Truman Phillips, who was brought up to the varsity at the end of the year, and Bill Miller, leading scorer. Also, credit must go to Mr. Rudy Skul, who coached the Freshman team and scouted for the varsity team.

FRESHMAN BASKETBALL

Under the guidance of Mr. Rudy Skul, the freshman team showed Downers fans they have a lot to look forward to in the coming years. The boys didn't jell at the beginning of the year, but as the season progressed they began to play well. Doing most of the playing were Ed Janoski, Wynn Miller, Paul Pickrel, Bill Gurican, and Terry Ellisen.

BASEBALL

Early in the spring when the weather was damp and cold and everybody wanted to stay inside, Coach Guy Wellman's baseball team could be seen out on the ball field practicing diligently. The Trojans started out the season well by winning eight of their first ten contests. However, the unforeseen happened, and the next four games were dropped, leaving the team with a fourth place finish.

For the first time in three years Downers fail-

ed to win the district title, losing their first game to Naperville 3-2.

Outstanding work was shown by pitchers Ken Lutgens and Jack Miller, outfielder Joel Lage, and infielder Larry Crane.

Warren Holbrook's frosh-soph made a fair showing for their season winning five of eleven contests. Displaying promise were outfielders Jim Hayes and Dick Perkins, and infielder Bruce Gibson and Gordy Austin.

Even though Coach Jim Stahl's trackmen were hindered by poor weather and lack of indoor facilities, they made a fine showing for the season. Winning all but one of their dual meets and showing well in the Conference meet, the Cindermen sent five members to state competition. Leading the Downers entries were two seniors: Jim Kay and Larry Bruder. Kay's specialties were the high and low hurdles, while Bruder scored heavily in the dashes and broad jump. Also competing were juniors Dave Larson, half-mile; Bob Michaels, 440 yard dash; and Dave Stormer, low hurdles.

With indoor facilities furnished for Coach Stahl and his squad, even better records seem to be in store for Downers in the future.

GOLF

The Trojan Linksmen, coached by Dick Carstens, brought to Downers Grove its first golf title. By winning all of its dual meets and placing second in the conference meet, which was held at Downers, the "T-Men" managed to capture the coveted trophy. Bad luck and bad weather kept Coach Carsten's boys from qualifying for their second straight trip to the state finals.

The varsity squad was composed of Bob Gollhofer, Bill Barnhart, Larry Blum, Mike Williams, and Bud Barnhart.

In the frosh-soph division, many boys showed promise of turning into polished golfers.

Tennis season, 1957, was marked by Downers Grove's first varsity tennis victory in two years. Under the whimsical leadership of Coach Roger Price, the squad played spirited tennis, though not always of the highest caliber as evidenced by their last place standing. With the long awaited addition of courts to the village's total of three comes hopes of better seasons in the future.

Enforcement of parking regulations, improvement of gym lunch room conditions, and participation in the State Student Council Convention were some of the many projects successfully undertaken by our Student Council this year. The Council-sponsored Polio Drive was the most successful fund raising campaign ever held at DGHS.

While the entire council discussed and voted on all important matters, the smaller Student Senate, headed by Council President Bill Gregory, overtured prospective problems.

DEBATE

An outstanding enrollment in debate proved the increasing interest in the subject among Downers students. For the first time, Mr. Glenn Olney's debaters were divided into two separate classes—one composed of beginning sophomores; the other of both experienced and inexperienced juniors. From these two groups, teams for the tournaments of the year were chosen.

The six varsity members, Russ Fernald, Jeff Cooper, Jim McAllister, (affirmative), and Ken Powell, Brent Revert, Tom Dubis, (negative), finished the Metropolitan Debate Union Series.

Sub-varsity and beginning teams alternated members, gaining experience for future years.

Directed by Miss Chessman, the business staffs help to solicit and write ads obtained from local merchants. Miss Dickson's art students furnish the paper's drawings.

Both students and teachers anticipate the distribution of High Life, the time when everyone catches up on school gossip, social news, sports events, and other happenings around school.

D. A. R.

In February of each year, the senior class chooses three girls to be eligible for the D.A.R. award. These girls display outstanding citizenship qualities, honesty, dependability, leadership, and service to the school. The faculty is then asked to vote on one of the three to receive the award. At the Cap and Gown Assembly the Daughters of the American Revolution presented Sue Fernald with this honor. Runners-up were Judith Gustafson and Barbara Royds.

QUILL AND SCROLL

The highest reward that a student can receive for months of diligent literary effort is to be elected to Quill & Scroll. In order to receive this coveted membership, a student must have put in a great amount of work and time on either Cauldron or High Life and shown skill and talent in either creative writing, editing, business management or initiative. The gold Quill & Scroll pins are presented at the annual spring Cauldron-High Life banquet.

Each year outstanding seniors proudly receive the news that they have been elected to the National Honor Society. At commencement, these chosen few, (fifteen percent of the upper third of their class) receive the Gold Torch Emblem of the National Honor Society. SENIOR HONOR STUDENTS

Senior Honor Students are those who have distinguished themselves scholastically by completing their senior year with a 3.4 average. They can be especially proud because, on a nation-wide basis, Downers Grove Community High School ranks considerably higher than the norm.

The four top students competing for graduating honors with a 4.0 average are Edward Cline, Jeffery Cooper, Robert Koonz, and William Lieb.

NASS

The N.A.S.S., an honorary organization, is composed only of varsity letter winners who have maintained at least a "B" average during the year and have been recommended to this society by their coaches and teachers.

These members represent our country's potential leaders since they are the people who have combined physical prowess with intellectual strength. A select group, N.A.S.S. has earned the respect and admiration of the faculty as well as that of its fellow students.

THE 1958 SENIORS

SENIOR CLASS OFFICERS

President: Don Keough

Vice President: Jim Dapogny

Secretary: Judy Gustafson

Treasurer: Barb Royds

Each year at this time the graduating class reflects upon its achievements, recounting the glad times together with the disappointments. But now, let us look forward to what the Class of '58 will do.

Sports wise, our athletes should excel in collegiate activities, ranging from football and basketball to golf and baseball. Our participation in carnival and music contests may act as an indication of our future musical interests. Scholastic virtues are perhaps strongest in our class. Using them we shall attend universities, colleges and trade schools, preparing ourselves for future jobs.

And now after four years at Downers, we the class of '58 must bid farewell to our fellow students and to our instructors, retaining in our minds many happy memories.

THE JUNIORS

The most outstanding traits of the Junior Class are friendliness, school spirit, vitality, and ambition. The members of this class are strongly in back of school projects such as student council and Pep Club. Juniors fill out the ranks of our athletic teams and do a great deal to raise scores and spirits. They excel musically and rate scholastically also.

This year, the Juniors are taking over some of the leadership responsibilities and are preparing to become seniors to head the school next year. One can be assured that the class of '59 will take our school on to greater accomplishments.

SOPHOMORE CLASS

The sophomore class has shown that it has lost the bewilderment and timidity it had as freshmen by being active in sports, participating in various activities, and ranking high on the honor roll. Their class party, "Satellite Soiree" was a big success. When the Sophomore class elections were held, very able leaders were chosen. All of these things have given sophomores preparation for future leadership.

FRESHMAN CLASS

The "freshies," now experienced freshmen, are ready to be sophomores. During their first year they had the name theme Freshmen Party, and displayed school spirit by joining clubs, participating in sports, and taking part in numerous school activities.

The freshmen can also be proud that their class float "Send 'em to the Moon"—won first place in the Homecoming parade.

Skill makes a difference!

The skill of our craftsmen plus the skill of our creative designers makes the difference between "just another book" and a CAPITOL distinctive annual. The Capitol Planning Service makes the multitude of detailed tasks less irksome and brings assurance of an outstanding publication on a balanced budget. Inquiries are invited from publicity directors, yearbook and magazine staffs.
